Clause (b)

The Distribution of the net proceeds from income-tax among previnces is governed sec.138 of the Government of India Act, 1935, and the Govt. of India (Distribution of Revenues) Order, 1936. No representation has so far been made to the Government of India for increaseing the amount assinged to this Province under the provisions mentioned above. The fees realised on licences and permits issued by district authorities under the petroleum & Explosives Act, and the cash receipts of District Magistrates under the Indian Arms Act are allotted to this Government in full and the question of making any representation for increasing these amounts does not therefore arise. There is a proposal to address the Government of India for increasing the amount paid by the them to this ppovince as compensation for the loss of the revenue previously derived by this Province from the Madras Tobacco (Taxation of sales and licensing) Act, 1939, which was repealed at the instance of the Government of India when they introduced legislation for levying excise duty on tobacco.
